McLean  
Foundation

2024 and 2025 Grants

# Funding Areas

- Arts and Culture:

Funding is provided to local organizations working to create more vibrant and dynamic communities through programs, productions and supporting the transformational impact of artists, the arts and cultural institutions.

- People and Communities:

Funding is provided to local organizations working to increase social and economic wellbeing which may include innovative approaches to affordable housing; programs for incarcerated or formerly incarcerated individuals; youth mental health; youth recreational and educational supports; and local food security.

- Environment and Conservation:

Funding is provided to support local conservation, stewardship, community-based environmental monitoring and research.

- Climate Action:

Funding is provided to support evidence-based policy; community engagement; and local action on mitigation, adaptation, resilience and climate justice.
